Zamzam Refugee Camp Attacks

Hundreds of people — including children and aid workers — were killed in a horrific attack by the Rapid Support Forces (RSF) on Zamzam, one of the largest refugee camps in Darfur. This brutal assault on civilians marks a devastating escalation in the RSF's ongoing campaign of violence, following recent shifts in control in Khartoum.

Emgage Action strongly condemns this senseless massacre. The continued targeting of innocent Sudanese lives demands urgent international attention. As the conflict between the RSF and the Sudanese Armed Forces deepens, we call on Congress to take immediate action to push for a ceasefire and help prevent further atrocities.
